We've packaged some of our most popular knives in one, 3-Knife Starter Set. These knives are made with the same edge-holding steel as our gouges and chisels. The comfortable curved ergonomic handle allows for long periods of carving without hand fatigue. Set includes: Cutting Knife (KN12), Detail Knife (KN13) and Roughing Knife (KN14)

Cat# KN500

For younger carvers or crafts people, our slim handle 3-piece detail knife set is the perfect fit. These knives have the same high quality as other Flexcut carving tools, but their slender handles are better suited for smaller hands.

Our Chip Carving Set features our Chip Carving Knife, Mini-Chip Knife and Skew Knife. Everything you need to create the intricate geometric or freestyle patterns that are the hallmark of the craft. Lettering is also very much part of the art form. So carving the name of somebody special on the boxes, address blocks, wall plaques and other objects you make, turns them into very personal keepsakes that can be cherished and even handed down generation to generation.
